They will try to sort the problem out straight away. 5. Details of your complaint will be recorded on receipt to ensure that the matter is properly dealt with.
6. If we are unable to satisfactorily resolve your complaint immediately upon receipt, we will formally acknowledge your complaint within two working days.
7. We aim to provide a full response to your complaint within a further ten working days and no later than eight weeks from the date we received your complaint. If appropriate, we will send you an interim response ten working days after our acknowledgement and at regular intervals (of not more than ten working days) thereafter to explain how our investigation is progressing. The full response will be in the form of a letter, documented telephone conversation or email.

8. If we are unable to fully resolve your complaint to your satisfaction within eight weeks of receipt, or we have reached a stalemate/deadlock situation prior to this time, you can escalate your complaint to the Fundraising Regulator (if fundraising-related) or an independent Alternative Dispute Resolution (ADR) entity (if gambling-related), free of charge, if you wish to do so. ADR entities act as independent middlemen between service providers and customers when complaints cannot be resolved. ADR is a voluntary process through which parties attempt to settle disputes without going through the courts. The main forms of ADR are arbitration and mediation.
9. For gambling-related complaints, you can refer your complaint to the Independent Betting Adjudication Service (IBAS). Local Hospice Lottery Ltd is registered with IBAS via its membership of The Hospice Lotteries Association (HLA). IBAS can be contacted by telephone on 020 7347 5883, or via their website at:
